Welcome
Welcome to MidMichigan Medical Center - Midland! A 324 licensed-bed hospital located on 180 acres of wooded campus, the Medical Center in Midland is the flagship of the MidMichigan Health system.

From its beginning in 1944, the Medical Center in Midland, Michigan has established itself as a leader in quality state-of-the-art health care. In fact, MidMichigan Medical Center - Midland was named one of the nation’s 2016 100 Top Hospitals® by Truven Health Analytics™ and was also one of a select few to earn the 2016 100 Top Hospital’s Everest® Award. What’s more, the Medical Center earned an A in patient safety from The Leapfrog Group for the Fall 2017 Hospital Safety Score. The Hospital Safety Score is the gold standard rating for patient safety, compiled under the guidance of the nation’s leading patient safety experts. MidMichigan is the only Medical Center in the Great Lakes Bay Region to have all private rooms. Private rooms are also available at MidMichigan Health’s subsidiary, MidMichigan Medical Center - Gratiot in Alma.

With all private patient rooms, MidMichigan Medical Center - Midland has an environment of superior healing, infection control and patient safety. The Medical Center offers a range of primary care services, outstanding specialty care and emergency care, with excellence in cardiovascular, cancer, neurosciences, obstetrics, orthopedics, rehabilitation, diabetes and other services. Ancillary services include CT scanning, radiation therapy, chemotherapy, laboratory, pharmacy, cardiac catheterization and magnetic resonance imaging.

Accredited by The Joint Commission, MidMichigan Medical Center - Midland has become a regional referral hospital for the northern and middle areas of the state. The medical staff in Midland includes more than 160 active physicians representing 32 specialties and subspecialties. The Medical Center employs more than 2,300 employees, making it the second-largest employer in Midland County. It is also a teaching hospital, with a four-year residency program in family medicine and clinical affiliations for training medical students from Michigan State University and Central Michigan University.
