The Keystone Society

There are a select number of individuals who are able to demonstrate their support of MidMichigan Medical Center - Alpena to a greater degree than others. Their commitment to our community looks to the future, extends beyond the routine, and includes a desire to continually seek excellence in the quality of healthcare for northeast Michigan.

To recognize these individuals, the Special Prospects committee of the MidMichigan Medical Center - Alpena Development Council established the Keystone Society in 1994. Just as the keystone of an arch supports the structure from above, the Keystone Society is the pinnacle of support of the MidMichigan Medical Center - Alpena Development Council.

Membership Eligibility

Lifetime membership to the Keystone Society is extended to those who make a contribution of \$10,000 or more to MidMichigan Medical Center - Alpena.

This commitment may be fulfilled immediately, through 10 annual payments of \$1,000 or by a schedule specified by the donor which will achieve their commitment within 10 years.

In addition, levels of the Keystone Society include silver, gold and platinum, recognizing cumulative gifts of \$25,000 to \$100,000 and above.

As a not-for-profit hospital with a 501(c)(3) designation by the IRS, contributions to MidMichigan Medical Center - Alpena are deductible by donors as provided in section 170 of the IRS Code.

An Invitation

You are cordially invited to join the Keystone Society. This group of future-focused community leaders will continue the tradition of healthcare excellence that was started by our hospital's founders in 1940.

Your personal gift will significantly impact the quality of healthcare in the region by providing medical equipment and facilities that the MidMichigan Medical Center - Alpena Board of Trustees, MidMichigan Health Foundation and Development Council jointly identify.

All donations, unless otherwise noted, will be directed to the future medical technology needs of the hospital. No gift monies will be used for day to day operating costs of the hospital.

In Appreciation

In appreciation for your support, the MidMichigan Medical Center - Alpena Development Council will give special recognition to you as a society member.

As a Keystone Society member, you will be featured on a permanent recognition display located within the hospital. In addition, a uniquely designed gift symbolic of membership will be personally presented to you. Throughout the year, the Keystone Society members will be invited to attend a variety of special programs.

An exclusive recognition event will be held annually. Only Keystone Society members will be in attendance.

Keystone Society Pledge

By acknowledging this invitation to become a member of the Keystone Society, I am joining a special group committed to continued healthcare excellence at MidMichigan Medical Center - Alpena. As an expression of cooperation with other society members, I hereby signify my intention to contribute at the following level:

- Bronze (\$10,000 - 24,999)
