

# With Sincere Appreciation to Our Donors

The MidMichigan Health Foundation's Development Council serving Alpena appreciates the financial support received from community members, area businesses, physicians, and MidMichigan Health employees. Our donors make the impossible possible for the patients and family members we serve. In 2018, we purchased needed equipment, funded programs, provided scholarships, and renovated patient care areas for those we served. As a way of saying thanks, we recognize the following members of our annual giving clubs for their contributions to MidMichigan Health Foundation. Below is a list of our 2018 members. We offer our sincere gratitude to each and every donor listed.
