

Stars in the Gardens

Recognition and Tributes – 2020

MidMichigan Health Foundation appreciates the philanthropic support received from the community for our annual Stars in the Gardens fundraising campaign. The money raised from this campaign directly supports patients served by MidMichigan Home Care, including Woodland Hospice House. Your gifts given in honor or in memory of your loved ones provide necessary services, supplies and equipment for those who cannot afford it. To date, more than \$10,000 has been received and one hundred percent of these funds will ensure our patients and families are able to get the care they need. Thank you for your generous support.
