

# Application Process

## For MidMichigan Health Locations

ACEMAPP is a secure, online clinical education tool. Please complete the following steps to apply for a rotation.

### 1. Log In

Visit [acemapp.org/registration](https://acemapp.org/registration) to create your account. If you already have an ACEMAPP account, please log in.

### 2. Submit your application(s)

From your student home, click "More" followed by "Rotation Applications" to view the applications table.

Click the blue "Info" button to view the appropriate application. If you cannot find your program, please contact MidMichigan Health.

Click "Apply".

Complete all required information, including your School. If you aren't yet affiliated with your school in ACEMAPP, a request to affiliate will be sent upon selecting their name.

Click "Submit".

### 3. Await application status

You will receive a notification email from ACEMAPP once your application has been reviewed. If you are approved you may begin completing your new onboarding information.

### 4. Upload Resume (OPTIONAL)

You may upload your resume by following the steps outlined at [acemapp.org/kb/106](https://acemapp.org/kb/106).
