

Annual Donor Recognition, With Sincere Appreciation

Annual Donor Recognition

The MidMichigan Health Foundation appreciates the financial support received by MidMichigan Health employees, area businesses, foundations, physicians, and community members. In 2019, because of you, we were able to purchase needed equipment, fund programs, construct new buildings, fund care coordinators and medical social workers, renovate buildings, and provide compassionate care needs for those we served with YOUR help!

As a way of saying thanks, we have established an annual donor recognition program that totals all contributions that a donor makes to MidMichigan Health Foundation for support given during the calendar year. This information establishes our donor's distinct level of giving. Below is a list representing our donors' total support given between January 1, 2019 and December 31, 2019. We extend our heartfelt thank you. Your gifts are making a difference, every day.
