## Gifts of Wellness

The MidMichigan Health Foundation has a donor recognition program that annually totals all contributions that a donor makes to MidMichigan Health including any subsidiary of MidMichigan during the year. This information establishes our donor's distinct level of giving and corresponding recognition for that year. Below are our donors representing their total support given between January 1, 2017 and December 31, 2017.

Thank you for contributing to the MidMichigan Health Foundation. We offer our sincere gratitude to each and every donor listed.
