Gifts of Wellness
The MidMichigan Health Foundation appreciates the financial support received by MidMichigan Health employees, area businesses, foundations, physicians, and community members. Our donors make the impossible possible for the patients and family members we serve. In 2018, we purchased needed equipment, funded programs, constructed new buildings, funded care coordinators and medical social workers, renovated buildings, and provided compassionate care needs for those we served. As a way of saying thanks, we have established an annual donor recognition program that totals all contributions that a donor makes to MidMichigan Health Foundation for support given during the calendar year. This information establishes our donor’s distinct level of giving. Below is a list representing our donors’ total support given between January 1, 2018 and December 31, 2018.
We offer our sincere gratitude to each and every donor listed.

Loyalty Giving Society – Designation received for donors giving over consecutive years:

<table>
